## Soft nitrile ideal for greasy, humid and oily environments

- Glove made with a knitted support type continuous thread.
- Non-breathable nitrile coating to optimize contact with greasy, wet and oily surfaces.
- The innovative shapes used by simulating the hand at rest reduce fatigue and allow perfect adherence to the hand, increasing its tactile sensitivity.

### FEATURES 16953

- ventilated fingers
- elasticized wrist
- color: white/pearl grey
- sizes: 6, 7, 8, 9, 10, 11
- cartons: 144 pairs

### FEATURES 16958

- ventilated fingers
- elasticized wrist
- color: grey/blue
- sizes: 6, 7, 8, 9, 10, 11
- cartons: 144 pairs
